

Guide: The 5-Pile Sorting System Reference Card

Module 2

The 5 Piles

KEEP

Items moving to the next chapter

Criteria: Loved, essential, or frequently used

DONATE

Items someone else can enjoy

Criteria: In good, clean, functional condition

SELL

Items with monetary value

Criteria: Valuables, antiques, tools, furniture worth the effort

TOSS

Items no longer useful

Criteria: Broken, expired, damaged, or soiled

NOT SURE YET

The emotional safety zone

Criteria: Items difficult to decide on - prevents pressure and arguments

Key Rule

Touch each item only once. Make a decision and place it in its pile.
