RECOMMENDED SORTING SEQUENCE

Bathrooms	Easy	1-2 hrs	Expired products, old meds (dispose at pharmacy), worn towels. Quick wins.	
Linen Closets	Easy	1 hr	Stained/mismatched sheets, blankets nobody uses. Keep one set per bed + 1 spare.	

Phase 2: Daily-Use Items (Week 2-3)

Room	Difficulty	Est. Time	Guidance	Scheduled
Master Bedroom	Medium	2-3 hrs	Clothing (use Wardrobe Triage), nightstands, under the bed. Memory clothing goes to Not Sure Yet.	
Guest Bedrooms	Medium	2-3 hrs	Often used as storage. Clear surfaces first, then closets, then under beds.	
Living Room	Medium	2-3 hrs	Books, media, decor, old electronics. Apply \$50 rule for Sell pile.	
Dining Room	Easy	1-2 hrs	China sets, serving ware, table linens. Keep what fits the new space.	

Phase 3: Storage Areas (Week 3-4)

Room	Difficulty	Est. Time	Guidance	Scheduled
Home Office / Den	Hard	3-4 hrs	Paperwork central. Use 3-Folder Method first. Then sort books, supplies, equipment.	
Garage	Hard	4-6 hrs	Tools, paint, lawn equipment, stored boxes. Often the biggest volume of items.
