

10 Essential Tour Questions

Module 7 — Print One Per Tour

Community: _____ Date: _____ Tour Guide: _____

1. What is your monthly base rate, and what exactly does it include?

Why this matters: Reveals hidden costs. The brochure price is the starting price, not the real price.

Answer: _____

2. What are your move-in costs?

Why this matters: Deposits, community fees, first/last month can add \$5,000-\$10,000+ upfront.

Answer: _____

3. How do you handle care level changes?

Why this matters: This is where surprise costs hide. Can they stay in the same unit?

Answer: _____

4. What is your staff-to-resident ratio?

Why this matters: 1:8 is good. 1:15+ is a concern. Ask about night shift separately.

Answer: _____

5. Can I see the specific apartment available?

Why this matters: Not the model — the actual unit. Condition gap reveals maintenance quality.

Answer: _____

6. Can I speak with current residents and families?

Why this matters: A confident community encourages this. A nervous one discourages it.

Answer: _____

7. What is your staff turnover rate?

Why this matters: Over 50% annually = red flag. High turnover = inconsistent care.

Answer: _____

8. How do you handle medical emergencies?

Why this matters: Protocol for falls? Family notification speed? 24/7 nursing on site?

Answer: _____

9. Can I review the contract before making a deposit?

Why this matters: If no — walk away. Always have an attorney review before signing.

Answer: _____

10. What is your move-out/discharge policy?

Why this matters: Protects against forced moves when care needs increase.

Answer: _____

Overall Impression: _____

Would I want my parent to live here? ☐ Yes ☐ Maybe ☐ No
